Memorandum

To: Summer Dalton, AOC, Amended Fill the Gap Request Local Funds – FY 2016

From: The Honorable Thomas L. Fink ^{TF}
Diane L. Culin, Court Administrator

Date: June 7, 2016

This is an Amended Fill the Gap Request to add \$8300 from FTG Local funds to an existing FTG grant from the Superior Court in Santa Cruz County. This request is included in the "Travel" line area, as its intended use is for intensive interpreter training set for July 4-21, 2016. This added request brings the total Travel Budget line to \$13,300.

We have used some of the money we previously requested for interpreter training and equipment but the costs for the staff's attendance at an upcoming intensive institute were more than expected. Those registration fees need to be paid by June 20, 2016.

The Superior Court criminal caseload in Santa Cruz County has an inordinately high need for Spanish interpreters. Many of these criminal case hearings need interpreters and minimal, if any, notice is available for adjustments in interpreter scheduling. Initial Appearances and Preliminary Hearings, as an example, are common hearings and the immediate need for an interpreter becomes apparent at the hearing. Our approach will be to have more Spanish interpreters credentialed and available to keep these cases moving on the calendar. More interpreters will also allow us to avoid a backlog of criminal cases that may otherwise be continued or delayed due to the scheduling of interpreters.

This training will also improve our Access to Justice work for limited English proficient persons.

Please feel free to call me with any questions, 520-400-3271 (cell); 520-375-8154 (office).

C. PROJECT INFORMATION

13. DESCRIPTION OF PROJECT PLAN.
Please refer to the attached letter and documents.

14. DESCRIBE THE NEED FOR THIS PROJECT AND HOW THE EXPENDITURE OF THESE MONIES WILL ADDRESS THE NEED.

In Santa Cruz Superior Court, jury pools are assembled in a courtroom (not a jury assembly room) for briefings, orientation, and for the jury selection process. It is necessary that two portable microphones be added to two of the courtrooms which are used for jury selection. Further the sound systems in these courtrooms must also include receivers specific to the recording system so that the potential juror's voice is not only heard better in the courtroom, but also the voice can become part of the record.

Funds are requested in this grant to purchase and install this new equipment. It is a one-time cost that will improve the record and the speed of criminal case jury selection.

In Santa Cruz courts as many as 70% of criminal case defendants speak only Spanish. Under a newly adopted Supreme Court Administrative Order #2016-02, all staff interpreters must become credentialed under new Arizona Courts Standards. Tests and specialized training for this fiscal year will cost approximately \$5,000. This request is for the funding to purchase interpreter institute registration costs (including lodging and per diem costs), other training and subscriptions needed to advance the skills and expertise of staff interpreters.

Amended Request: This is a request for additional training dollars in FTG to be used specifically for a three week intensive interpreter training institute for three court employees identified to become court interpreters. Since preparing the above request for Fill the Gap funding, some of which would be used for Interpreter training, our Superior Court has lost 2 staff interpreters, and has also determined the need to improve its past practices from using bilingual employees to interpret to new plans to only use tested, qualified interpreters. This is an important milestone for justice in our criminal cases, but it does not come without costs and implementation issues. Since so many of our criminal cases require a Spanish interpreter, we cannot manage the caseload with the remaining one interpreter, and costs to contract for interpreters from other counties are costing \$700-\$1,000 per week. We have three staff who are attending training and preparing themselves to become an Arizona Certified Court Interpreter. But the amount of intensive training needed is more than we expected in our initial request for funding in this area. Funding their attendance at an upcoming intensive institute is one step closer to attaining certification, and one more step toward avoiding a backlog of criminal cases due to the excessive continuances and delays that may come about as a result of no access to skilled interpreters.

This accomplishment will be a work in progress, but our goal is to not suffer undue delays in criminal case processing simply because we do not have enough interpreters for these cases and parties associated with the cases. Our request is for an additional **\$8,300.00**. *(the new travel budgeted amount will be \$13,300.00, not \$5,000.00).*

15. LIST THE PROJECT'S PERFORMANCE MEASURES.

Equipment to improve sound and recordings will be installed by June 30, 2016.

Interpreter's skills will be improved and measured through training and testing.

The Deputy Clerk will assist in improving the processing of criminal cases. The Deputy Clerk is currently assisting with the processing of approximately 70 cases daily. It is projected that in the year 2016, the clerk will assist in processing an average of between 70-75 cases daily.

PROCEDURES

Each project agency authorized to disburse confidential funds must develop and follow internal procedures, which incorporate the following elements:

Deviations from these elements must receive prior approval of the ONDCP.

1. Imprest Fund. The funds authorized will be established in an imprest fund, which is controlled by a bonded cashier.
2. Advance of Funds: The supervisor of the unit to which the imprest funds is assigned must authorize all advances of funds for the P/I. Such authorization must specify the information to be received, the amount of expenditures, and assumed name of the informant.
3. Informant Files: Informant files are confidential files of the true names, assumed names, and signature of all informants to whom payments of confidential expenditures have been made. To the extent possible, pictures and/or fingerprints of the informant payee should also be maintained. Refer to Informant Files "Documentation" (2) for a list of required documents for the informant files.
4. Cash Receipts.
 - a. The cashier shall receive from the agent or officer authorized to make a confidential payment, receipt for cash advanced to him/her for such purposes.
 - b. The agent or officer shall receive from the informant payee a receipt for cash paid to him/her.

5. Receipts for Purchase of Information. An Informant Payee Receipt shall identify the exact amount paid to and received by the informant payee on the date executed. Cumulative or anticipatory receipts are not permitted. Once the receipt has been completed no alteration is allowed. The agent shall prepare an Informant Payee Receipt containing the following information:
 - a. The jurisdiction initiating the payment.
 - b. A description of the information/evidence received.
 - c. The amount of payment, both in numeral and word form.
 - d. The date on which the payment was made.
 - e. The signature of the informant payee.
 - f. The signature of the case agent or officer making payment.
 - g. The signature of at least one other officer witnessing the payment.
 - h. The signature of the first-line supervisor authorizing and certifying the payment.
6. Review and Certification. The signed Informant Payee Receipt with a memorandum detailing the information received shall be forwarded to the agent or officer in charge. The agent or officer in charge shall compare the signatures. He/she shall also evaluate the information received in relation to the expense incurred, and add his/her evaluation remarks to the report of the agent or officer who made the expenditure from the imprest funds. The certification will be witnessed by the agent or officer in charge on the basis of the report and Informant Payee's Receipt.
7. Reporting of Funds. Each project shall prepare a reconciliation report on the imprest funds on a quarterly basis. Information to be included in the reconciliation report will be the assumed name of the informant payee, the amount received, the nature of the information given, and to what extent this information contributed to the investigation. Recipients/subrecipients shall retain the reconciliation report in their files and shall be available for review unless the State agency requests that the report be submitted to them on a quarterly basis.
8. Record and Audit Provisions. Each project and member agency must maintain specific records of each confidential fund transaction. At a minimum, these records must consist of all documentation concerning the request for funds, processing (to include the review and approve/disapprove), modifications, closure or impact material, and receipts and/or other documentation necessary to justify and track all expenditures. Refer to Informant Files Documentation (2) for a list of documents, which should be in an informant's file. In projects where funds are used for confidential expenditures, it will be understood that all of the above records, except the true name of the informant, are subject to the record and audit provision of grantor agency legislation.

INFORMANT FILES

1. Security. A separate file should be established for each informant for accounting purposes. Informant files should be kept in a separate and secure storage facility, segregated from any other files, and under the exclusive control of the supervisor or an employee designated by him/her. The facility should be locked at all times when unattended. Access to these files should be limited to those employees who have a necessary legitimate need. An informant file should not leave the immediate area except for review by a management official or the handling agent, and should be returned prior to the close of business hours. Sign-out logs should be kept indicating the date, informant number, time in and out, and the signature of the person reviewing the file.

2. Documentation. Each file should include the following information:
 - a. Informant Payment Record - kept on top of the file. This record provides a summary of informant payments.
 - b. Informant Establishment Record - including complete identifying and location data, plus any other documents connected with the informant's establishment.
 - c. Current photograph and fingerprint card (or FBI/State Criminal Identification Number).
 - d. Agreement with cooperating individual.
 - e. Receipt for P/I.
 - f. Copies of all debriefing reports (except for the Headquarters case file).
 - g. Copies of case initiation reports bearing on the utilization of the informant (except for the Headquarters case file).
 - h. Copies of statements signed by the informant (unsigned copies will be placed in appropriate investigative files).
 - i. Any administrative correspondence pertaining to the informant, including documentation of any representations made on his behalf or any other nonmonetary considerations furnished.
 - j. Any deactivation report or declaration of any unsatisfactory informant.

INFORMANT MANAGEMENT AND UTILIZATION

All persons who will be utilized as informants should be established as such. The specific procedures required in establishing a person as an informant may vary from jurisdiction to jurisdiction but, at a minimum, should include the following:

1. Assignment of an informant code name to protect the informant's identity.

2. An informant code book controlled by the supervisor or his/her designee containing:
 - a. Informant's code number.
 - b. Type of information (i.e. informant, defendant/informant, restricted use/informant).
 - c. Informant's true name.
 - d. Name of establishing law enforcement officer.
 - e. Date the establishment is approved.
 - f. Date of deactivation.
3. Establish each informant file in accordance with Informant File Documentation (2).
4. For each informant in an active status, the agent should review the informant file on a quarterly basis to assure it contains all relevant and current information. Where a MATERIAL face that was earlier reported on the Establishment Record is no longer correct (e.g. a change in criminal status, means of locating him/her, etc.), a supplemental establishing report should be submitted with the correct entry.
5. All informants being established should be checked in all available criminal indices. If verified FBI number is available, request a copy of the criminal records from the FBI. Where a verified FBI number is not available, the informant should be fingerprinted with a copy sent to the FBI and appropriate State authorities for analysis. The informant may be utilized on a provisional basis while awaiting a response from the FBI.

PAYMENTS TO INFORMANTS

1. Any person who is to receive payments charged against PE/PI funds should be established as an informant. This includes a person who may otherwise be categorized as sources of information or informants under the control of another agency. The amount of payment should be commensurate with the value of services and/or information provided and should be based on the following factors:
 - a. The level of the targeted individual, organization or operation.
 - b. The amount of the actual or potential seizure.
 - c. The significance of the contribution made by the informant to the desired objectives.
2. There are various circumstances in which payments to informants may be made.
 - a. Payments for Information and/or Active Participation. When an informant assists in developing an investigation, either through supplying information or actively participating in it, he/she may be paid for his/her service either in a lump sum or in staggered payments. Payments for information leading to a seizure, with no defendants, should be held to a minimum.

b. Payment for Informant Protection. When an informant needs protection, law enforcement agencies may absorb the expenses of relocation. These expenses may include travel for the informant and his/her immediate family, movement and/or storage of household goods, and living expense at the new location for a specific period of time (not to exceed 6 months). Payments should not exceed the amounts authorized by law enforcement employees for these activities.

c. Payments to Informants of Another Agency. To use or pay another agency's informant, he/she should be established as an informant. These payments should not be a duplication of a payment from another agency; however, sharing a payment is acceptable.

3. Documentation of payments to informants is critical and should be accomplished on a Informant Payee Receipt. Payment should be made and witnessed by two law enforcement officers and authorized payment amounts should be established and reviewed by at least the first line supervisory level. In unusual circumstances, a non-officer employee or an officer of another law enforcement agency may serve as witness. In all instances, the original signed receipt must be submitted to the project director for review and record keeping.

ACCOUNTING AND CONTROL PROCEDURES

Special accounting and control procedures should govern the use and handling of confidential expenditures, as described below:

1. It is important that expenditures which conceptually should be charged to PE/PI/PS are so charged. It is only in this manner that these funds may be properly managed at all levels, and accurate forecasts of projected needs be made.
2. Each law enforcement entity should apportion its PE/PI/PS allowance throughout its jurisdiction and delegate authority to approve PE/PI/PS expenditures to those offices, as it deems appropriate.
3. Headquarters management should establish guidelines authorizing offices to spend up to a predetermined limit of their total allowance on any buy or investigation.
4. In exercising his/her authority to approve these expenditures, the supervisor should consider:
 - a. The significance of the investigation.
 - b. The need for this expenditure to further the investigation.
 - c. Anticipated expenditures in other investigations.

Funds for PE/PI/PS expenditures should be advanced to the officer for a specific purpose. If they are not expended for that purpose, they should be returned to the cashier. They should not be used for another purpose without first returning them and repeating the authorization and advance process based on the new purpose.

5. Funds for PE/PI/PS expenditure should be advanced to the officer on suitable receipt form. Informant Payee Receipt or a voucher for P/E should be completed to document funds used in the purchase of evidence or funds paid or advanced to an informant.
6. For security purposes there should be a 48-hour limit on the amount of time funds advanced for PE/PI/PS expenditure may be held outstanding. If it becomes apparent at any point within the 48-hour period that the expenditure will not materialize, the funds should be returned to the cashier as soon as possible. An extension of the 48-hour limit may be granted by the level of management that approved the advance. Factors to consider in granting such an extension are:
 - a. The amount of funds involved.
 - b. The degree of security under which the funds are being held.
 - c. How long an extension is required.
 - d. The significance of the expenditure.

Such extensions should be limited to 48 hours. Beyond this, the funds should be returned and readvanced, if necessary. Regardless of circumstances, within 48 hours of the advance, the cashier should be presented with either the unexpended funds, an executed Informant Payee Receipt or purchase of evidence or written notification by management that an extension has been granted.

7. P/S expenditures, when not endangering the safety of the officer or informant, need to be supported by canceled tickets, receipts, lease agreements, etc. If not available, the supervisor, or his immediate subordinate, must certify that the expenditures were necessary and justify why supporting documents were not obtained.

Sheriff Tony Estrada
Santa Cruz County Sheriff's Office
2170 N. Congress Drive, Suite A
Nogales, AZ 85621

Dear Sheriff Estrada:

The Arizona HIDTA Executive Board would like to thank you for your continued partnership in addressing the drug threats facing our communities. Your participation in the HIDTA Program has strengthened the efforts of drug law enforcement throughout Arizona and the Nation.

Over the past three years, your participation in the Santa Cruz County HIDTA Investigative Task Force has resulted in six drug trafficking organizations being investigated in Santa Cruz County. These investigations resulted in the seizure of:

- Marijuana – 37,599 kilograms
- Cocaine – 237 kilograms
- Methamphetamine – 224 kilograms
- Heroin – 40 kilograms
- Cash and Assets – \$4,752,427

In addition, 44 criminal operations were disrupted or dismantled.

The HIDTA Program strives to be a program that not only supports law enforcement financially, but one that is able to provide critical intelligence to investigators through the HIDTA Investigative Support Center and enhance investigative skills through a robust Training Program. Over the past four years, the Arizona HIDTA has worked extremely hard to develop an intelligence program that supports investigators by expanding investigations, providing critical time-sensitive information for tactical operations, identifying investigative overlaps, and supporting interdiction efforts. During the same four years, we have developed the first training center in Arizona dedicated to drug law enforcement. Our courses have been designed to support new narcotics investigators, experienced investigators, drug prosecutors, and intelligence analysts. We have been very pleased with the feedback received from the investigators, analysts, and prosecutors who have taken advantage of these two important components of the HIDTA Program.

Developing these two programs has been accomplished within the current funding level; however, the funding required to meet the escalating employee related expenses (ERE) or fringe benefit costs (fringe) for sworn positions, attorneys, and paralegals is not sustainable. To address this growing funding challenge and to enable us to continue to support the Initiatives, the Arizona HIDTA Executive Board will be considering a recommendation from the Financial Subcommittee to limit the amount of fringe costs reimbursed by HIDTA. The Financial Subcommittee is recommending that the Arizona HIDTA, in fiscal year 2016, limit fringe costs to 25% for currently funded sworn personnel, attorneys, and paralegals. It is the goal of the Subcommittee for the Executive Board to further reduce current fringe costs by 5% per year, until the fringe costs for these three personnel categories are no longer funded by fiscal year 2021.

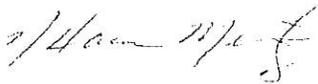

If the recommendation is approved by the Executive Board, the impact to your agency would be:

- Based on the most recent grant approval for the 2015 award, HIDTA funds three sworn positions for your agency in the amount of \$127,066 for personnel costs and 39.33% fringe in the amount of \$49,974. If the fringe costs are limited to 25% in 2016, your agency's fringe costs will be reduced by \$18,207.50, and by 2021, the total impact would be \$49,974.

As law enforcement leaders, we are well aware how difficult funding reductions can be on our agencies, but be assured, the Arizona HIDTA Executive Board is committed to supporting Federal, state, local, and tribal partnerships through the HIDTA Program. Leveraging the resources of all law enforcement against the most significant targets impacting our communities will always be the most effective way to address the drug threats in our communities.

If you have any questions about the recommendation, please contact Arizona HIDTA Executive Director Elizabeth Kempshall.

Sincerely,

N. Dawn Mertz

Keep in mind that the amounts calculated can fluctuate depending on on-call hours worked and salary increases which in turn will affect the Sheriff's Office ERE match.

NOW, THEREFORE, it is agreed between the parties as follows:

1. This Agreement will commence on July 1, 2016 and terminate on June 30, 2017. This Agreement expires at the end of the award period unless prior written approval for an extension has been obtained from the COMMISSION. A request for an extension must be received by the COMMISSION sixty (60) days prior to the end of the award period. The COMMISSION in its sole discretion may approve an extension that furthers the goals and objectives of the program and shall determine the length of any extension.
2. GRANTEE agrees that grant funds will be used in accordance with applicable program rules, guidelines and special conditions.
3. The COMMISSION will monitor GRANTEE performance against program goals and performance standards and those outlined in the grant application. Substandard performance as determined by the COMMISSION will constitute noncompliance with this Agreement. If the COMMISSION finds noncompliance, the GRANTEE will receive a written notice which identifies the area of noncompliance, and the appropriate corrective action to be taken. If the GRANTEE does not respond within thirty (30) calendar days to this notice, and does not provide sufficient information concerning the steps which are being taken to correct the problem, the COMMISSION may suspend funding, permanently terminate this Agreement or revoke the grant.
4. Any deviation or failure to comply with the purpose and/or conditions of this Agreement without prior written COMMISSION approval may constitute sufficient reason for the COMMISSION to terminate this Agreement, revoke the grant, require the return of all unspent funds, perform an audit of expended funds, and require the return of any previously spent funds which are deemed to have been spent in violation of the purpose or conditions of this grant.
5. This Agreement may be modified only by a written amendment signed by the Executive Director or by persons authorized by the Executive Director on behalf of the COMMISSION and GRANTEE. 13. GRANTEE agrees to abide by Federal and State laws and provide accounting, auditing and monitoring procedures to safeguard grant funds and keep such records to assure proper fiscal controls, management and the efficient disbursement of grant funds.
14. For the purpose of this grant, a capital expenditure is \$5,000 or above. If GRANTEE'S policy defines a capital expenditure as less than \$5,000, GRANTEE will use its own policy.
15. GRANTEE agrees to maintain property records for equipment purchased with grant funds and perform a physical inventory and reconciliation with property records at least every two years or more frequently based on GRANTEE policy. This may include, but is not limited to, costs for services such as accounting, payroll, data processing, purchasing, personnel, and building use which may have been incurred by the GRANTEE.
36. Each party (as "Indemnitor") agrees to defend, indemnify, and hold harmless the other party (as "Indemnitee") from and against any and all claims, losses, liability, costs, or expenses, (including reasonable attorney's fees) (hereinafter collectively referred to as "Claims") arising out of bodily injury of any person (including death) or property damage, but only to the extent that such Claims which result in vicarious/derivative liability to the Indemnitee are caused by the act, omission, negligence, misconduct, or other fault of the Indemnitor, its officers, officials, agents, employees, or volunteers. If the GRANTEE is a State agency, board, commission, or university of the State of Arizona, this paragraph shall not apply.
37. Should GRANTEE utilize a contractor(s) and subcontractor(s) the indemnification clause between GRANTEE and its contractor(s) and subcontractor(s) shall include the following:

Contractor shall defend, indemnify, and hold harmless the GRANTEE and the State of Arizona, and any jurisdiction or agency issuing any permits for any work arising out of this Agreement, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees (hereinafter referred to as "Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys' fees, and costs of claim

processing, investigation and litigation) (hereinafter referred to as "Claims") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the contractor or any of the directors, officers, agents, or employees or subcontractors of such contractor. This indemnity includes any claim or amount arising out of or recovered under the Workers' Compensation Law or arising out of the failure of such contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by such contractor from and against any and all claims. It is agreed that such contractor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. Additionally on all applicable insurance policies, contractor and its subcontractors shall name the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees as an additional insured and also include a waiver of subrogation in favor of the State. Re: Victim Assistance Grant Number VA-17-029

Dear Mr. George Silva,

On May 19, 2016 the Arizona Criminal Justice Commission (ACJC) approved the Crime Victim Committee's recommendation to award \$1,275,280 in Crime Victim Assistance funds to Government and Non-profit agencies for FY2017. The amount of your award is \$25,850.00. Other funds totaling \$25,850.00 are required to match this grant. The award period begins July 1, 2016 and ends June 30, 2017.

Please find the included Grant Agreement, with instructions for obtaining signatures and formal action. Please return the agreement with authorized signatures to the Commission office within 90 days of the award date of July 1, 2016 or the agreement may be cancelled. Also included is the summary of scores and comments from the grant reviewers for your review.

Grantees may make budget adjustments among approved budget categories as long as there are no changes to the purpose or scope of project. If a budget adjustment is necessary to reallocate funds to different budget categories that were not approved, please submit a detailed request in writing via e-mail, fax, or mail to ACJC Victim Services staff for approval. All grant budget adjustments to unapproved categories must be approved by ACJC program staff.

ACJC Victim Assistance grant funds will be paid through a monthly reimbursement process. NOW, THEREFORE, it is agreed between the parties as follows:

460. This Agreement will commence on July 1, 2016 and terminate on June 30, 2017. This Agreement expires at the end of the award period unless prior written approval for an extension has been obtained from the COMMISSION. A request for an extension must be received by the COMMISSION sixty (60) days prior to the end of the award period. The COMMISSION in its sole discretion may approve an extension to further the goals and objectives of the program, and to determine the length of any extension.
461. GRANTEE agrees that grant funds will be used in accordance with applicable program rules, guidelines and special conditions.
462. The COMMISSION will monitor GRANTEE performance against program goals and performance standards and those outlined in the grant application. Substandard performance as determined by the COMMISSION will constitute noncompliance with this Agreement. If the COMMISSION finds noncompliance, the GRANTEE will receive a written notice which identifies the area of noncompliance, and the appropriate corrective action to be taken. 464. This Agreement may be modified only by a written amendment signed by the Executive Director or by persons authorized by the Executive Director on behalf of the COMMISSION and GRANTEE. To: Board of Supervisors
From: Jennifer St. John, County Manager 
Subject: Request approval of Intergovernmental Agreement for use of Santa Cruz County Equipment
Date: June 15, 2016

Recommendation:

Staff recommends that the Board approve the Intergovernmental Agreement for use of Santa Cruz County equipment with Santa Cruz Valley Unified School District #35 from July 1, 2016 through June 30, 2017.

Background:

In meeting with Santa Cruz Valley Unified School District #35, one of the needs they identified was the ability to “rent” the County’s heavy equipment on occasion. Currently when they rent heavy equipment through a private company, it is almost cost prohibited. Using the current FEMA equipment rates, the County can generate revenue while providing a service to the School District. We have done a similar agreement in the past with Nogales Unified School District with outstanding results. The proposed agreement before you is valid for one year and is based on the availability of the County’s equipment and labor.

Financial Implications:

Revenue will be generated within the Road, Flood, or Landfill funds based on usage by SCVUSD and which fund owns the equipment being “rented.”

Proposed Motion:

Move to approve the Intergovernmental Agreement for use of Santa Cruz County equipment by the Santa Cruz Valley Unified School District from July 1, 2016 through June 30, 2017.

Interoffice Memorandum

To: Board of Supervisors
From: Jennifer St. John, County Manager *JSA*
Date: June 15, 2016
Subject: Donation of Vehicle to NUSD

Recommendation:

Staff recommends that the Board donate a 1999 Ford F-150 to the Nogales Unified School District.

Background:

Per statute, the County can dispose of unused equipment/vehicles via the County auction or donation to a non-profit or another governmental entity. The County's Maintenance Department recently replaced a 1999 Ford F-150, whose speedometer does not regularly work, but has over 167,000 miles. The County Maintenance department does not consider this vehicle efficient for driving throughout the County, however NUSD has expressed an interest in these older vehicles as they regularly only drive throughout the City. Therefore, instead of auctioning this vehicle, staff is recommending a donation to NUSD as allowed by statute.

Financial Implications:

Potential loss of revenue to the general fund of approximately \$500 - \$1,000 if the truck was sold at auction.

Proposed Motion:

Move to approve the donation of one 1999 Ford, F-150 to the Nogales Unified School District.

Materials are the property of the State by and through the ADHS and, as such, shall remain under the sole direction, management and control of the ADHS. The Contractor is not entitled to a patent or copyright on these Materials and may not transfer a patent or copyright on them to any other person or entity. To the extent any copyright in any Materials may originally vest in the Contractor, the Contractor hereby irrevocably transfers to the ADHS, for and on behalf of the State, all copyright ownership. The ADHS shall have full, complete and exclusive rights to reproduce, duplicate, adapt, distribute, display, disclose, publish, release and otherwise use all Materials. The Contractor shall not use or release these Materials without the prior written consent of the ADHS. When this Contract is terminated, the disposition of all such Materials shall be determined by the ADHS. Further, the Contractor agrees to give recognition to the ADHS for its support of any program when releasing or publishing program Materials.

- 4.10.3 *Notwithstanding the above, if the Contractor is a State agency, the following shall apply instead:* It is the intention of ADHS and Contractor that all material and intellectual property developed under this Agreement be used and controlled in ways to produce the greatest benefit to the parties to this Contract and the citizens of the State of Arizona. As used in this paragraph, "Material" means all written and electronic information, recordings, reports, findings, research information, abstracts, results, software, data, discoveries, inventions, procedures and processes of services developed by the Contractor and any other materials created, prepared or received by the Contractor and subcontractors in performance of this Agreement. "Material" as used herein shall not include any pre-existing data, information, materials, discoveries, inventions or any form of intellectual property invented, created, developed or devised by Contractor (or its employees, subcontractors or agents) prior to the commencement of the services funded by this Agreement or that may result from Contractor's involvement in other service activities that are not funded by the Agreement.
- 4.10.4 Title and exclusive copyright to all Material shall vest in the State of Arizona, subject to any rights reserved on behalf of the federal government. As State agencies and instrumentalities, both ADHS and Contractor shall have full, complete, perpetual, irrevocable and non-transferable rights to reproduce, duplicate, adapt, make derivative works, distribute, display, disclose, publish and otherwise use any and all Material. The Contractor's right to use Material shall include the following rights: the right to use the Material in connection with its internal, non-profit research and educational activities, the right to present at academic or professional meetings or symposia and the right to publish in journals, theses, dissertations or otherwise of Contractor's own choosing. Contractor agrees to provide ADHS with a right of review prior to any publication or public presentation of the Material, and ADHS shall be entitled to request the removal of its confidential information or any other content the disclosure of which would be contrary to the best interest of the State of Arizona. Neither party shall release confidential information to the public without the prior expressly written permission of the other, unless required by the State public records statutes or other law, including a court order. Each party agrees to give recognition to the other party in all public presentations or publications of any Material, when releasing or publishing them.
- 4.10.5 In addition, ADHS and Contractor agree that any and all Material shall be made freely available to the public to the extent it is in the best interest of the State. However, if either party wants to license or assign an intellectual property interest in the material to a third-party for monetary compensation, ADHS and Contractor agree to convene to determine the relevant issues of title, copyright, patent and distribution of revenue. In the event of a controversy as to whether the Material is being used for monetary compensation or in a way that interferes with the best interest of the state or ADHS, then the Arizona Department of Administration shall make the final decision. Notwithstanding the above, "monetary compensation" does not include compensation paid to an individual creator for traditional publications in academia (the copyrights to which are Employee-Excluded Works under ABOR Intellectual Property Policy Section 6-908C.4.), an honorarium or other reimbursement of expenses for an academic or professional presentation, or an unprofitable distribution of Material.

- 4.11. E-Verify Requirements In accordance with A.R.S. § 41-4401, Contractor warrants compliance with all Federal immigration laws and regulations relating to employees and warrants its compliance with Section A.R.S. § 23-214, Subsection A.
- 4.12. Federal Immigration and Nationality Act. The Contractor shall comply with all federal, state and local immigration laws and regulations relating to the immigration status of their employees during the term of the Contract. Further, the Contractor shall flow down this requirement to all subcontractors utilized during the term of the Contract. The State shall retain the right to perform random audits of Contractor and subcontractor records or to inspect papers of any employee thereof to ensure compliance. Should the State determine that the Contractor and/or any subcontractors be found noncompliant, the State may pursue all remedies allowed by law, including, but not limited to; suspension of work, termination of the Contract for default and suspension and/or debarment of the Contractor.

5. COSTS AND PAYMENTS

- 5.1. Payments. Payments shall comply with the requirements of A.R.S. Titles 35 and 41, net 30 days. Upon receipt and acceptance of goods or services, the Contractor shall submit a complete and accurate Contractor's Expenditure Report for payment from the State within thirty (30) days, as provided in the Accounting and Auditing Procedures Manual for the ADHS.
- 5.2. Recoupment of Contract Payments.
- 5.2.1 Unearned Advanced Funds. Any unearned State funds that have been advanced to the Contractor and remain in its possession at the end of each budget term, or at the time of termination of the Contract, shall be refunded to the ADHS within forty-five (45) days of the end of a budget term or of the time of termination.
- 5.2.2 Contracted Services. In a fixed price contract, if the number of services provided is less than the number of services for which the Contractor received compensation, funds to be returned to the ADHS shall be determined by the Contract price. Where the price is determined by cost per unit of service or material, the funds to be returned shall be determined by multiplying the unit of service cost by the number of services the Contractor did not provide during the Contract term. Where the price for a deliverable is fixed, but the deliverable has not been completed, the Contractor shall be paid a pro rata portion of the completed deliverable. In a cost reimbursement contract, the ADHS shall pay for any costs that the Contractor can document as having been paid by the Contractor and approved by ADHS. In addition, the Contractor will be paid its reasonable actual costs for work in progress as determined by Generally Accepted Accounting Procedures up to the date of contract termination.
- 5.2.3 Refunds. Within forty-five (45) days after the end of each budget term or of the time of termination of the Contract, the Contractor shall refund the greater of: i) the amount refundable in accordance with paragraph 4.2.1, Unearned Advanced Funds; or ii) the amount refundable in accordance with paragraph 5.2.2, Contracted Services.
- 5.2.4 Unacceptable Expenditures. The Contractor agrees to reimburse the ADHS for all Contract funds expended, which are determined by the ADHS not to have been disbursed by the Contractor in accordance with the terms of this Contract. The Contractor shall reimburse ADHS within 45 days of the determination of unacceptability.
- 5.3. Unit Costs/Rates or Fees. Unit costs/rates or fees shall be based on costs, which are determined by ADHS to be reasonable, allowable and allocable as outlined in the Accounting and Auditing Procedures Manual for the ADHS.

5.4. Applicable Taxes.

5.4.1 *State and Local Transaction Privilege Taxes.* The State of Arizona is subject to all applicable state and local transaction privilege taxes. Transaction privilege taxes apply to the sale and are the responsibility of the seller to remit. Failure to collect taxes from the buyer does not relieve the seller from its obligation to remit taxes.

5.4.2 *Tax Indemnification.* The Contractor and all subcontractors shall pay all federal, state and local taxes applicable to its operation and any persons employed by the Contractor. Contractor shall require all subcontractors to hold the State harmless from any responsibility for taxes, damages and interest, if applicable, contributions required under Federal, and/or state and local laws and regulations and any other costs, including transaction privilege taxes, unemployment compensation insurance, Social Security and Worker's Compensation.

5.4.3 *I.R.S. W9 Form.* In order to receive payment under any resulting Contract, the Contractor shall have a current I.R.S. W9 Form on file with the State of Arizona.

5.5. Availability of Funds for the Next Fiscal Year. Funds may not be presently available for performance under this Contract beyond the first year of the budget term or Contract term. The State may reduce payments or terminate this Contract without further recourse, obligation or penalty in the event that insufficient funds are appropriated in the subsequent budget term. The State shall not be liable for any purchases or Subcontracts entered into by the Contractor in anticipation of such funding. The Procurement Officer shall have the discretion in determining the availability of funds.

5.6. Availability of Funds for the Current Contract Term. Should the State Legislature enter back into session and decrease the appropriations through line item or general fund reductions, or for any other reason these goods or services are not funded as determined by ADHS, the following actions may be taken by ADHS:

- 5.6.1 Accept a decrease in price offered by the Contractor;
- 5.6.2 Reduce the number of goods or units of service and reduce the payments accordingly;
- 5.6.3 Offer reductions in funding as an alternative to Contract termination; or
- 5.6.4 Cancel the Contract.

6. CONTRACT CHANGES

6.1. Amendments, Purchase Orders and Change Orders. This Contract is issued under the authority of the Procurement Officer who signed this Contract. The Contract may be modified only through a Contract Amendment, Purchase Order and/or Change Order within the scope of the Contract, unless the change is administrative or otherwise permitted by the Special Terms and Conditions. Changes to the Contract, including the addition of work or materials, the revision of payment terms, or the substitution of work or materials, directed by an unauthorized State employee or made unilaterally by the Contractor are violations of the Contract and of applicable law. Such changes, including unauthorized Contract Amendments, Purchase Orders and/or Change Orders, shall be void and without effect, and the Contractor shall not be entitled to any claim under this Contract based on those changes.

6.2. Subcontracts. The Contractor shall not enter into any subcontract under this Contract without the advance written approval of the Procurement Officer. The subcontract shall incorporate by reference all material and applicable terms and conditions of this Contract.

6.3. Assignments and Delegation. The Contractor shall not assign any right nor delegate any duty under this Contract without the prior written approval of the Procurement Officer. The State shall not unreasonably withhold approval.

7. RISK AND LIABILITY

- 7.1. Risk of Loss. The Contractor shall bear all loss of conforming material covered under this Contract until received and accepted by authorized personnel at the location designated in the Purchase Order, Change Order or Contract. Mere receipt does not constitute final acceptance. The risk of loss for nonconforming materials shall remain with the Contractor regardless of receipt.
- 7.2. Mutual Indemnification. Each party (as "indemnitor") agrees to indemnify, defend and hold harmless the other party (as "indemnitee") from and against any and all claims, losses, liability, costs or expenses (including reasonable attorney's fees) (hereinafter collectively referred to as "claims") arising out of bodily injury of any person (including death) or property damage, but only to the extent that such claims, which result in vicarious/derivative liability to the indemnitee, are caused by the act, omission, negligence, misconduct, or other fault of the indemnitor, its officers, officials, agents, employees or volunteers.
- 7.3. Indemnification - Patent and Copyright. To the extent permitted by A.R.S. § 41-621 and A.R.S. § 35-154, the Contractor shall indemnify and hold harmless the State against any liability, including costs and expenses, for infringement of any patent, trademark or copyright arising out of performance of the Contract or use by the State of materials furnished by or work performed under this Contract. The State shall reasonably notify the Contractor of any claim for which it may be liable under this paragraph.
- 7.4. Force Majeure
- 7.4.1. Liability and Definition. Except for payment of sums due, neither party shall be liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented by reason of force majeure. The term "*force majeure*" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Without limiting the foregoing, force majeure includes acts of God; acts of the public enemy; acts of terrorism; war; riots; strikes; mobilization; labor disputes; civil disorders; fire; flood; lockouts; injunctions-interventions not caused by or resulting from the act or failure to act of the parties; failures or refusals to act by government authority not caused by or resulting from the act or failure to act of the parties; and other similar occurrences beyond the control of the party declaring force majeure, which such party is unable to prevent by exercising reasonable diligence.
- 7.4.2. Exclusions. Force Majeure shall not include the following occurrences:
- 7.4.2.1 Late delivery of Materials caused by congestion at a manufacturer's plant or elsewhere, or an oversold condition of the market;
- 7.4.2.2 Late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition; or
- 7.4.2.3 Inability of either the Contractor or any subcontractor to acquire or maintain any required insurance, bonds, licenses or permits.
- 7.4.3. Notice. If either party is delayed at any time in the progress of the work by force majeure, the delayed party shall notify the other party in writing of such delay, as soon as is practicable and no later than the following working day of the commencement thereof, and shall specify the causes of such delay in such notice. Such notice shall be delivered or mailed certified-return receipt and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time of completion shall be extended by Contract Amendment for a period of time equal to the time that the results or effects of such delay prevent the delayed party from performing in accordance with this Contract.
