Memorandum

To: Santa Cruz County Flood Control District Board of Directors
From: John Hays, Floodplain Coordinator 
Through: Jennifer St. John, County Manager
CC: Jesus Valdez, P.E., General Manager
Date: September 13, 2016
Re: **Authorization by the Board of Directors of the Santa Cruz County Flood Control District for the Chairman to sign the Community Rating System Annual Certification Form.**

Background/Discussion:

At the beginning of October, 2003, Santa Cruz County officially joined the Community Rating Program as a Class 7 Community, which provides a 15% discount on flood insurance premiums for all properties located in a federally mapped floodplain and a 5% discount for all other structures, in the unincorporated portions of Santa Cruz County. The County is required to recertify that it continues with the activities that were credited within the original application and subsequent modifications on an annual basis, prior to September 30th.

Financial Implications:

There is no direct financial implication to Santa Cruz County, other than the savings of 15% for zones with an A designation and 5% for all other zones in Flood Insurance Premiums paid by the public in the unincorporated areas of Santa Cruz County.

Recommendation:

Propose the Board of Directors of the Santa Cruz County Flood Control District authorize the Chairman to sign the Community Rating System Annual Certification Form so Santa Cruz County remains a member in good standing and the flood insurance premium discount remains in place.

Recommended Motion:

"I move to authorize the Chairman to sign the Community Rating System Certification Form."

Mr. John Hays, CFM

Floodplain Administrator

2150 North Congress Drive

Nogales, AZ 85621

Dear Mr. Hays:

As a condition of continued participation in the Community Rating System (CRS) program, the annual Recertification form, AW 214, is due each year by October 1st.

Enclosed is a customized Recertification AW 214 for your community. The AW 214 requires you to certify (initial) the continued implementation of credited activities and in some cases, attach additional documentation. Note that Section 2 does require the signature of your CEO.

If your community has submitted a Repetitive Loss or Floodplain Management Plan you are required to provide a Progress Report. You will find a description of the required documentation in the *CRS Coordinator's Manual* on page 510-24. The AW 214 will indicate if the Progress Report is required.

The Recertification form with all required attachments must be returned no later than October 1st of each year.

NOTE: SUBMISSION DEADLINES ARE STRICTLY ENFORCED.

IMPORTANT POINTS TO REMEMBER WHEN SUBMITTING RECERTIFICATIONS:

- Please submit to the address at the top of this page.
- Copies to FEMA and the State NFIP Coordinator will be forwarded by me. It is not necessary for you to send these agencies a copy.
- Please make necessary **updates on this form**, including e-mail address for updating our records.
- Receiving this notice from me indicates that I am your ISO/CRS Specialist. I have your CRS file and can respond to any questions you have regarding CRS. Community responsibility has changed in some areas. Feel free to contact me with any questions relating to the CRS.

Again, if you have any questions or comments, please feel free to contact me. You can also email me at kredente@iso.com

I look forward to working with you!

Sincerely,

Kerry L. Redente

Re: **Floodplain Information Services for Unincorporated Santa Cruz County and the City of Nogales, Arizona.**

As a public service, the Santa Cruz County Flood Control District will provide the following information upon request:

- Whether a property is in or out of the Special Flood Hazard Area (SFHA) as shown on the current Flood Insurance Rate Maps (FIRM) of the unincorporated County and the City of Nogales, or if the property is in a locally regulatory floodplain regulated under the Santa Cruz County Floodplain and Erosion Hazard Management Ordinance #2001-03.
- Additional flood insurance data for a site, such as FIRM Zone and the base flood elevation or depth, if shown on the FIRM.
- Additional regulatory information for a site such as the presence of Locally Regulated Floodplains and Erosion Hazard Setbacks.
- Basic level information (Site Review) on the requirements of the Santa Cruz County Flood Control District for construction on flood prone property, as well as suggestions for mitigating flooding issues on a property.
- Floodplain Use Permits for any and all work to be performed in any regulatory floodplain (including new buildings, remodels and repairs of existing buildings, fences, walls, septic systems, excavation, etc.)
- We have several handouts available of the flood insurance purchase requirement that can help people who need a mortgage or loan for a property in the SFHA.
- We have several handouts available of the requirements and procedures for development within all flood prone areas within unincorporated Santa Cruz County and the City of Nogales, including How to Develop Floodprone Land, How to Obtain a Floodplain Use Permit, Riparian Habitat/Floodplain Open Space, and Water Harvesting and Rain Gardens.

All of the public information brochures, standards and the Santa Cruz Floodplain and Erosion Hazard Management Ordinance, # 2001-03, are available on the internet at:
<http://www.santaacruzcountyaz.gov/238/Flood-Control>. Clean, blank copies of the Flood Hazard Information Sheets for Unincorporated Santa Cruz County and the City of Nogales are also available on the site at <http://www.santaacruzcountyaz.gov/DocumentCenter/Home/View/3222> and at

Enclosed, please find some pages of information of floodplain safety and insurance information we encourage you to share with your clients.

Due to the high volume of inquiries we now receive, we are unable to process requests by telephone. Inquiries can be made via the fax, in person, or by mail. We have a link on our website that allows for Flood Hazard Information requests to be sent in via the internet. If you would like to make an inquiry, please provide the street address or tax code identification number, and, if available, the subdivision, lot, and block number. We are open 8:00 am to 5:00 pm Monday-Friday. Fax us at (520) 375-7846, or drop by the Santa Cruz County Flood Control District office in the County Complex at 275 Rio Rico Drive, Rio Rico, Arizona. Again, due to the high volume of inquiries please allow a minimum of ten business days for a reply for faxed and mailed inquiries. All walk-in inquiries, limited to three per person per visit, will be handled as soon as possible depending on personnel availability. Floodplain Use Permits and Site Review Requests generally take about **10 working days** to complete, depending on workload at the time of application. We do strongly suggest and request realtors request the floodplain status of a property as soon as the property is listed with them. We also request builders check the floodplain status of a lot before commencing on the design for the property as the floodplain regulations and requirements may control some aspects of the final design. Calls requesting the floodplain status of a property on the same day or within hours, or minutes, of closing may not receive an answer depending on personnel availability.

There are currently no charges for these services. The Flood Control District also has completed FEMA Elevation Certificates for buildings constructed in the floodplain since June of 2001 which have been submitted to the District.

Please be advised Santa Cruz County participates in the Community Rating System of the National Flood Insurance Program, and is rated as a Class 7 Community. This translates into of 15% discount in Flood Insurance Premiums for all structures in a Special Flood Hazard Area (Zone A, AE, A1-30, AH, and AO) as shown on the Flood Insurance Rate Maps for Unincorporated Santa Cruz County, and a 5% discount in Flood Insurance Premiums for all other structures in unincorporated Santa Cruz County, Arizona.

SANTA CRUZ COUNTY

While the monsoons bring relief from the summer heat and provide precious water, they can, and often do, create flooding situations. So can the winter storms that occasionally. The Santa Cruz County Flood Control District would like to take this opportunity to provide the public with some information that may be of some help during the coming monsoons.

Flood Protection Information: Flooding in Santa Cruz County is caused by a large number of sources including the Santa Cruz River, the Nogales Wash/Potrero Creek, Sonoita Creek, Peck Canyon, Agua Fria Canyon, and all their tributaries. Flooding along these systems can cover many hundreds of acres of land, with depths up to four to eight feet deep along the listed water courses. For the tributaries, floodwaters may not be as deep, but they still can cover streets and yards and can flood cars, garages, and buildings.

Flooding in all areas of the County can occur with little or no warning, however, flooding in Santa Cruz County tends to result from two weather patterns. Smaller water courses, such as the Nogales Wash/Potrero Creek, tend to flood very quickly (flash flood) both during and after the passage of an intense thunderstorm within the watershed. This most commonly occurs during the Monsoons of June through September. Water within the washes rises very quickly, moves rather fast, and carries a large amount of debris which can be extremely dangerous to anyone attempting to cross through the flood waters. Large water courses, such as the Santa Cruz River and Sonoita Creek, tend to flood as a result of either slow moving Pacific storms, or dying tropical systems from the eastern Pacific Ocean that result in several inches of rain over a period of days. This is most commonly happens between the months of October to March. Although flooding in Santa Cruz County tends to occur during these two periods, flooding can occur at any time during the year.

Your property may be high enough that it was not flooded recently. However, it can still be flooded in the future because the next flood could be worse than any previous flood. If you are in the floodplain, the odds are that someday your property will be damaged. Be advised that not all floodplains in the county have been mapped, and it is possible to be flooded even if you are outside a mapped floodplain. This flyer gives you some ideas of what you can do to protect yourself.

County Flood Services: The first thing you should do is check your flood hazard. Flood maps and flood protection references are available at all Nogales/Santa Cruz County Public Libraries. You can also visit the Santa Cruz County Flood Control District at the County Annex (275 Rio Rico Drive, Rio Rico, Arizona) to see if you are in a mapped floodplain. If so, District Staff can give you more information, such as depth of flooding, known past flooding problems, and development information and guidelines for developing floodprone areas. Additional information, as well as current Flood Insurance Rate Maps, is also available through the internet <http://www.santacruzcountyaz.gov/238/Flood-Control>

If requested, the Santa Cruz County Flood Control District will visit a property to review its flood problem and explain ways to stop flooding or prevent flood damages. Call the District at 375-7830 for further information. These services are free. If you are in a floodplain or have a flood or drainage problem, check out these sources of assistance.

What You Can Do: Several of the County's efforts depend on your cooperation and assistance. Here is how you can help:

- Do not dump or throw anything into the ditches, channels, washes or arroyos. Dumping in our channels and washes is a violation of the Santa Cruz County Floodplain and Erosion Hazard Management Ordinance, No. 2001-03. Even grass clippings and branches can accumulate and block channels. A blocked channel cannot carry water and when it rains the water has to go somewhere. Every piece of trash contributes to flooding.
- If your property is next to a channel or wash, please do your part to keep the banks free of trash and debris. Be advised that the vegetation in and around the washes are part of nature's way of handling flood events, preventing erosion, and cleaning of some pollution from the water. Please see the County's brochure on *Riparian Habitat and Floodplain Open Space*.
- If you see dumping or debris in the channels or washes, contact the Flood Control District at 375-7830.
- Always check with the Santa Cruz County Flood Control District before you build on, alter, regrade, or fill on your property. A Floodplain Use Permit may be needed to ensure that projects do not cause problems on other properties.
- Do not build, place, or construct walls and fences in a manner as to block or obstruct the natural flow of water, especially at your property boundaries.
- If you see construction or filling without a County permit sign posted, contact the Building Department at 375-7880.
- Check out the following information on floodproofing, flood insurance and flood safety.
- Water Harvesting can help reduce runoff and decrease the potential for future flooding.

<http://www.santacruzcountyaz.gov/DocumentCenter/Home/View/3218>

Floodproofing: There are several different ways to protect a building from flood damage. One way is to keep the water away by regarding your lot or building a small floodwall or earthen berm. These methods only work if your lot is large enough, if flooding is not too deep, and if your property is not in the floodway. The Santa Cruz County Flood Control District can provide this information.

Another approach is to make your walls waterproof and place watertight closures over the doors. This method is not recommended for houses with basements or if water depths exceed two feet.

A third approach is to raise the house above flood levels. Although there are no known examples of this within Santa Cruz County, this method has been successfully used throughout much of the country.

Many houses, even those not in the floodplain, have sewers or septic systems that can back up into the house during heavy rains and flooding. A plug, stand pipe, or backflow prevention valve should be considered for new homes and/or septic systems and homes undergoing extensive remodeling, and should be installed by a professional plumber.

These measures are called floodproofing or retrofitting. More information is available at all the branches of the Nogales/Santa Cruz County Public Library. Important note: Any alteration of your building or land requires a permit from the Santa Cruz County Building Department and, if the work occurs in the floodplain, the Santa Cruz County Flood Control District. Even the placement of fill, or fencing the floodplain requires a Floodplain Use Permit.

If you know a flood is coming, you should shut off the gas and electricity and move valuable contents upstairs. It is unlikely that you will get much warning, so a detailed checklist prepared in advance will help insure that you do not forget anything.

Flood Insurance: If you do not have flood insurance, talk to your insurance agent. Homeowner's insurance policies do not cover damage from floods. However, because Santa Cruz County participates in the National Flood Insurance Program, you can purchase a separate flood insurance policy. This insurance is backed by the Federal government and is available to everyone, even for properties that have been flooded.

Some people have purchased flood insurance because it was required by the bank when they got a mortgage or home improvement loan. Usually these policies just cover the building's structure and not the contents. During the kind of flooding that happens in Santa Cruz County, there is usually more damage to the furniture and contents than there is to the structure.

At last count, there were over 400 flood insurance policies in Santa Cruz County. If you are covered, check out the amount and make sure you have contents coverage. Remember: Even if the last flood missed you or you have done some floodproofing, the next flood could be worse. Flood insurance covers all surface floods.

Don't wait for the next flood to buy insurance protection. There is a 30-day waiting period before National Flood Insurance Program coverage takes effect. Contact your insurance agent for more information on rates and coverage.

Flood Safety

Do not walk through flowing water. Drowning is the number one cause of flood deaths, mostly during flash floods. Currents can be deceptive; six inches of moving water can knock you off your feet. If you walk in standing water, use a pole or stick to ensure that the ground is still there.

Do not drive through a flooded area. More people drown in their cars than anywhere else. Don't drive around road barriers or ignore "Do Not Enter When Flooded" signs; the road or bridge may be washed out. If you cannot see the bottom, you have no way to tell where it is, if it is still there.

Stay away from power lines and electrical wires. The number two flood killer after drowning is electrocution. Electrical current can travel through water. Report downed power lines to the power company or the County Sheriff's office.

Have your electricity turned off by the power company. Some appliances, such as television sets, keep electrical charges even after they have been unplugged. Don't use appliances or motors that have gotten wet unless they have been taken apart, cleaned, and dried.

Look out for animals, especially snakes. Small animals that have been flooded out of their homes may seek shelter in yours, or in debris left on your property. Use a pole or stick to poke and turn things over and scare away small animals.

Look before you step. After a flood, the ground and floors are covered with debris including broken bottles and nails. Floors and stairs that have been covered with mud can be very slippery.

Be alert for gas leaks. Use a flashlight to inspect for damage. Don't smoke or use candles, lanterns, or open flames unless you know the gas has been turned off and the area has been ventilated.

Wait before entering a structure damaged by flooding. Structures that have been damaged by flooding may not be safe to enter. Wait for the building to be inspected before entering. If the structure is deemed unsafe, arrangements will be made for you to be able to retrieve valuables left behind.

Be alert and be patient. Due to the steep topography of Santa Cruz County, flooding can occur in a short period of time, especially during the monsoons. Avoid walking and camping in washes, as it does not have to be raining where you are for the wash to flood. If you encounter a flooded wash, be patient, the water levels will drop and you will be able to cross, otherwise, seek an alternative route.

Flood Insurance

NFIP: Santa Cruz County, Arizona, participates in the National Flood Insurance Program (NFIP). The NFIP makes federally backed flood insurance available for all buildings, whether they are in a floodplain or not. Flood insurance covers direct losses caused by surface flooding, including a river flowing over its banks, a lake or ocean storm, and local drainage problems.

The NFIP insures buildings, including mobile homes, with two types of coverage: structural and contents. Structural coverage is for the walls, floors, insulation, furnace, and other items permanently attached to the structure. Contents coverage may be purchased separately provided the contents are in an insurable building.

Mandatory Purchase Requirement: The mandatory purchase requirement applies to all forms of federal or federally related financial assistance for buildings located in a Special Flood Hazard Area (SFHA). This requirement affects loans and grants for the purchase, construction, repair, or improvement of any publicly or privately owned building in the SFHA, including machinery, equipment, fixtures, and furnishings contained in such buildings.

Financial assistance programs affected include loans and grants from agencies such as the Department of Veterans Affairs, Farmers Home Administration, Federal Housing Administration, Small Business Administration, and Federal Emergency Management Agency. The requirement also applies to secured mortgage loans from financial institutions, such as commercial lenders, savings and loan associations, savings banks, and credit unions that are regulated, supervised or insured by Federal agencies such as the Federal Deposit Insurance Corporation and the Office of Thrift Supervision. It also applies to all mortgage loans purchased by Fannie Mae or Freddie Mac in the secondary mortgage market.

How it Works: Before a person can receive a loan or other financial assistance from one of the affected agencies or lenders, there must be a check to see if the building is in a Special Flood Hazard Area (SFHA). The SFHA is the base (100-year) floodplain mapped on a Flood Insurance Rate Map (FIRM). It is shown as one or more zones that begin with the letter "A" or "V".

Copies of the FIRM for unincorporated and incorporated Santa Cruz County, including the City of Nogales and Town of Patagonia, are available for review at the Santa Cruz County Flood Control District office at 275 Rio Rico Drive, Rio Rico, Arizona, 85648, and at the reference section of your local public library. Many lenders and insurance agents may also have copies. Copies are also available online at <http://www.santacruzcountyaz.gov/243/Digital-Flood-Insurance-Maps>. It is the agency's or the lender's responsibility to check the FIRM to determine if the building is in an SFHA, although many communities provide assistance. The Santa Cruz County Flood Control District does provide this service to the public, including potential buyers, property owners, lenders, and realty agencies, at no cost.

If the building is in a SHFA, the agency or lender is required by law to require the recipient to purchase a flood insurance policy on the building. The requirement is for structural coverage equal to the amount of the loan (or other financial assistance) or the maximum amount available, which ever is less. The maximum amount available for a single-family home is \$250,000.

The mandatory purchase requirement does not affect loans or financial assistance for items that are not covered by a flood insurance policy, such as vehicles, business expenses, landscaping, and vacant lots. It does not affect loans for buildings that are not in the SFHA, even though a portion of the lot may be floodprone. While not mandated by law, a lender may require a flood insurance policy as a condition of a loan for a property in any zone on a Flood Insurance Rate Map.

Steps for Getting Flood Insurance in Santa Cruz County

1. Determine what flood zone you are in by having a Flood Hazard Information Sheet (FHIS) completed at the Santa Cruz County Flood Control District office at 275 Rio Rico Drive, Rio Rico, Arizona, or submitting the FHIS form on line at <http://www.santacruzcountyz.gov/238/Flood-Control>

If it is determined you are in a high-risk zone A or AE and your building was constructed on or after August 1, 1980 (the date of the county's first Flood Insurance Rate Map or FIRM) or April 15, 1981 (the date of the City of Nogales' first FIRM), you will need to know the Base Flood Elevation (BFE) and the Lowest Floor Elevation (LFE) of your building. The latter is obtained from an Elevation Certificate. Due to recent changes in the National Flood Insurance Program (NFIP) as directed by Congress, certain structures built before those dates (known as pre-FIRM buildings) may be required to be rated using an Elevation Certificate. Contact your agent for details.

2. Determining the Base Flood Elevation (BFE) – The FHIS can give you an idea of what your base flood elevation is. However, the elevation on the form is only an estimate of the actual elevation. Please indicate to staff that you are looking for the BFE for Insurance Purposes at the time of submitting the FHIS for a more rigorously determined BFE. Sometimes it is necessary to submit a Site Review Request to determine the Based Flood Elevation because of the type of flood zone and the need to do more calculations than can be done normally over the counter.
3. Obtaining an Elevation Certificate – If you do not have an Elevation Certificate, the Santa Cruz County Flood Control District maintains completed Elevation Certificates that have been submitted as a requirement of a Floodplain Use Permit that has been issued since June 1, 2001, for the Unincorporated areas of the County, and since April 24, 2004, for the City of Nogales. If there is an Elevation Certificate for your property in your records, we can make a copy of it for you. If there is not one, you will most likely need to engage the services of an Arizona Registered Professional Engineer or Land Surveyor to complete the form. District Staff can provide the form, partially filled out with the pertinent information pertaining to the Flood Insurance Rate Map affecting your property.

Please note, generally speaking, Elevation Certificates do not expire. However, if the structure is substantially damaged or improved, or the floodplain information has significantly changed since the last Elevation Certificate was completed, a new one may be required.

4. Take the completed Elevation Certificate and FHIS to your insurance agent for a quote.

Flood Control

Services

As a public service, the Santa Cruz County Flood Control District will provide the following information upon request

- Whether a property is in or out of the Special Flood Hazard Area (SFHA) as shown on the current Flood Insurance Rate Maps (FIRM) of the unincorporated County and the City of Nogales, Arizona
- Additional flood insurance data for a site such as FIRM Zone and the base flood elevation or depth, if shown on the FIRM
- Basic level information (Site Review) on the requirements of the Santa Cruz County Flood Control District for construction on flood prone property
- We have several handouts available of the flood insurance purchase requirement that can help people who need a mortgage or loan for a property in the SFHA
- We have several handouts available of the requirements and procedures for development within all flood prone areas within unincorporated Santa Cruz County and the City of Nogales, Arizona
- Review and investigation of drainage complaints regarding activities within the floodplain, such as filling, construction or the alteration, diversion, or obstruction of the flow of water
- Provide maps of properties showing the location of floodplains on the property, both current and past FEMA Special Flood Hazard Areas and locally regulatory floodplains, and providing the topography on the property with a 2 foot contour interval
- Provide via a Site Review, advice on potential ways of reducing or preventing flooding and flood related damages to private Property
- The Santa Cruz County Flood Control District maintains a record of all Elevation Certificates that have been submitted as a requirement for Floodplain Use Permits for all structures, Pre-FIRM and Post-FIRM since

Elevation Certificate Information

As a condition of all Floodplain Use Permits for structures, the Santa Cruz County Flood Control District (District) requires an Elevation Certificate to be completed and then submitted for review and approval by the District prior to the issuance of the Certificate of Occupancy.

The district pre-fills portions of the Elevation Certificate form with available information pertaining to the property, in the case of certificates required for [Floodplain Use Permits](#). Additionally, the district highlights the portions of the form that will need to be completed prior to its submittal for review and approval.

Elevation Certificate Forms

Blank copies of the forms for the unincorporated areas of the County and City of Nogales, as well as a Reference Guide for the completion of the forms on its website at:

- Elevation Certificate-Unincorporated County
<http://www.santacruzcountyaz.gov/DocumentCenter/View/6320>
- Elevation Certificate- City of Nogales
<http://www.santacruzcountyaz.gov/DocumentCenter/View/6321>

* [Elevation Certificate Reference Guide](#)

The district keeps a copy of all Elevation Certificates that have been submitted as a requirement for Floodplain Use Permits for all structures, Pre-FIRM and Post-FIRM, since June 1, 2001, that have received a [Floodplain Use Permit](#) and complied with all requirements of said permit.

INTEROFFICE MEMORANDUM

TO: Mr. Rudy Molera, SCC Chairman Board of Supervisors
FROM: Alfredo I. Velásquez, SCC Superintendent of Schools
SUBJECT: Modification of Intergovernmental Agreement NO. IGA-SABG-GR-16-040116-13 Governor's Office of Youth, Faith and Family Intergovernmental Agreement No.
DATE: September 13, 2016

RECOMMENDATION:

Recommend to Board of Supervisors to approve modification to original Intergovernmental Agreement NO. IGA-SABG-GR-16-040116-13, between the State of Arizona Governor's Youth, Faith and Family and the Santa Cruz County School Superintendent's Office.

BACKGROUND:

Please see attached Intergovernmental Agreement NO IGA.SAG-GR-17-070116-13.

FINANCAL IMPLICATIONS:

Funding will be awarded by the State of Arizona Governor's Office.

PROPOSED MOTION:

Move to approve intergovernmental agreement as presented.

**INTERGOVERNMENTAL AGREEMENT
NO. IGA-SABG-GR-17-070116-13**

Between the

**STATE OF ARIZONA
GOVERNOR'S OFFICE OF YOUTH, FAITH AND FAMILY**

And the

SANTA CRUZ COUNTY SCHOOL SUPERINTENDENTS'S OFFICE

This Intergovernmental Agreement ("Agreement") is entered into by and between the State of Arizona, the Governor's Office of Youth, Faith and Family, located at 1700 West Washington, Suite 230, Phoenix, Arizona 85007 ("GOYFF" or "State of Arizona") and the Santa Cruz County School Superintendent's Office, located at 2150 N. Congress Drive, #107, Nogales, Arizona 85621.

WHEREAS, the United States Department of Health and Human Services provided funding to the Arizona Department of Health Services under the Substance Abuse Block Grant ("SABG"). The SABG is administered through the Substance Abuse and Mental Health Services Administration of the United States Department of Health and Human Services.

WHEREAS, the Arizona Department of Health Services provided Substance Abuse Block Grant Funding to the Governor's Office of Youth, Faith and Family under Interagency Service Agreement No. HS632006.

WHEREAS, A.R.S. §41-101.01 authorizes the Governor's Office of Youth, Faith and Family to execute and administer agreements and accept and expend any funds received from the federal government or any agency thereof.

WHEREAS, A.R.S. §11-952 authorizes public agencies to enter into agreements to contract for services.

WHEREAS, A.R.S. §15-301 authorizes the Santa Cruz County School Superintendent's Office to enter into agreements with other governmental entities and agencies in order to receive and spend local, state and federal monies to provide programs and services to school districts, charter schools, county free library districts, and municipal libraries within the county.

THEREFORE, in consideration of the mutual promises and covenants contained herein and other good and valuable consideration, the receipt of which the parties hereby acknowledge, the parties enter into this Agreement as follows:

I. PURPOSE OF AGREEMENT

The purpose of this Agreement is to provide a SABG cost-reimbursement grant award to the Santa Cruz County School Superintendent's Office as pass-through funding to the Calabasas School for implementation of the Healthy Families-Healthy Schools Pilot Program.

II. TERM OF AGREEMENT, TERMINATION AND AMENDMENTS

The term of the Agreement shall commence July 1, 2016, and shall remain in effect until January 31, 2017, contingent upon GOYFF's receipt of final federal SABG funding, unless terminated, canceled, or extended as otherwise provided herein.

Either party may terminate this Agreement at any earlier time by providing written notice to the other party at least thirty (30) days prior to the termination date. The GOYFF agrees that regardless of its termination date with the Santa Cruz County School Superintendent's Office, the Santa Cruz County School Superintendent's Office may use the funds distributed under this Agreement to pay for any unpaid services pursuant to this Agreement obligated prior to the date of termination. This Agreement is subject to cancellation pursuant to A.R.S. § 38-511, the provisions of which are incorporated herein.

Amendments to this Agreement shall be made in writing and signed by both parties.

III. DESCRIPTION OF SERVICES

The Santa Cruz County School Superintendent's Office shall:

1. Provide oversight on the Calabasas School's Healthy Families-Healthy Schools Pilot Program ("Program") in accordance with Attachment A, (entitled *Scope of Work*, incorporated into this Agreement in its entirety); Attachment B (entitled *Federal Terms and Conditions*, incorporated into this Agreement in its entirety); and Attachment C, (entitled *SAMHSA Incentives*, incorporated into this Agreement in its entirety).
2. Use the SABG grant award as pass-through funds to the Calabasas School to support the Program.
3. Assist the Calabasas School and the Governor's Office of Youth, Faith and Family ("GOYFF") with the submission of programmatic reports and program invoices.
4. Warrant that Attachment C, (entitled *SAMHSA Additional Directives*, incorporated into this Agreement in its entirety), has been distributed, read, and understood by the Lowell School Program Administrators. This federal grant requirement may be located at <http://www.samhsa.gov/grants/grants-management/policies-regulations/additional-directives>. The directive informs grant recipients to build all non-cash incentives of minimal cash value into the program design. The directive states that incentives should be the minimum amount necessary to meet the program and evaluation goals of the grant. Examples include food, prizes, small gifts or a combination thereof that will not exceed \$30 per participant.

IV. REPORTING REQUIREMENTS

The Santa Cruz County School Superintendent's Office shall submit invoices and programmatic reports detailing all services rendered in accordance with this Agreement on a monthly basis. The reporting deadlines are:

- October 15, 2016
- January 31, 2017

V. MANNER OF FINANCING

The GOYFF shall:

1. Provide no more than \$35,000 to the Santa Cruz County School Superintendent's Office, for costs associated with the activities listed in (i) Section III of this Agreement; (ii) Attachment A, (entitled *Scope of Work*, incorporated into this Agreement in its entirety); (iii) Attachment B (entitled *Federal Terms and Conditions*, incorporated into this Agreement in its entirety); and (iv) Attachment C, (entitled *SAMHSA Incentives*, incorporated into this Agreement in its entirety).
2. Provide payment upon receipt and approval of the invoices for services performed or goods received.

The Santa Cruz County School Superintendent's Office shall:

1. Use the SABG funds received from GOYFF exclusively to support the activities outlined in (i) Section III of this Agreement; (ii) Attachment A, (entitled *Scope of Work*, incorporated into this Agreement in its entirety); (iii) Attachment B (entitled *Federal Terms and Conditions*, incorporated into this Agreement in its entirety); and (iv) Attachment C, (entitled *SAMHSA Additional Directives*, incorporated into this Agreement in its entirety).
2. Agree that all reimbursement of in-state travel expenses shall be paid only in accordance with the Domestic Per Diem rates allowed under the State of Arizona Travel Policy, and the prevailing State of Arizona standard mileage rates, located at <https://gao.az.gov/travel/welcome-gao-travel>. There shall be no reimbursement of out-of-state travel expenses.
3. All questions regarding the appropriate use of the SABG funds shall be resolved by mutual written agreement between the Santa Cruz County School Superintendent's Office and the GOYFF.

VI. DOCUMENTS INCORPORATED BY REFERENCE

The State of Arizona's Uniform Terms and Conditions V9_ (Rev 7-1-2013) are incorporated into this document as if fully set forth herein. Copies of the Uniform Terms and Conditions may be accessed at https://spo.az.gov/sites/default/files/documents/files/Uniform%20Terms%20and%20Conditions%20V9_%28Rev%207-1-2013%29.pdf. The Santa Cruz County School Superintendent's Office warrants that it has read and understands the Uniform Terms and Conditions V9_ (Rev 7-1-2013) and agrees to be bound by them in their entirety. In the event of any divergence between this Agreement and the Uniform Terms and Conditions, this Agreement shall control.

VII. NON-AVAILABILITY OF FUNDS

In accordance with A.R.S. § 35-154, every payment obligation of the GOYFF/Arizona Office of the Governor under the Agreement is conditioned upon the availability of funds appropriated or allocated for payment of such obligation. If funds are not allocated and available for the continuance of this Agreement, this Agreement may be terminated by the GOYFF/Arizona Office of the Governor at the end of the period for which funds are available. No liability shall accrue to Arizona Office of the Governor in the event this provision is exercised, and the GOYFF/Arizona Office of the Governor shall not be obligated or liable for any future payments or for any damages as a result of termination under this paragraph.

VIII. INDEMNIFICATION

To the fullest extent permitted by law, the Santa Cruz County School Superintendent's Office shall defend, indemnify, and hold harmless the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees (hereinafter referred to as "Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys' fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as "Claims") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the Santa Cruz County School Superintendent's Office or any of its owners, officers, directors, agents, employees or subcontractors. This indemnity includes any claim or amount arising out of, or recovered under, the Workers' Compensation Law or arising out of the failure of such the Santa Cruz County School Superintendent's Office to conform to any federal, state, or local law, statute, ordinance, rule, regulation, or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the Santa Cruz County School

Superintendent's Office from and against any and all claims. It is agreed that the Santa Cruz County School Superintendent's Office will be responsible for primary loss investigation, defense, and judgment costs where this indemnification is applicable. In consideration of the award of this Agreement, the Santa Cruz County School Superintendent's Office agrees to waive all rights of subrogation against the State of Arizona, its officers, officials, agents, and employees for losses arising from the work performed by the Santa Cruz County School Superintendent's Office for the State of Arizona.

This indemnity shall not apply if the contractor or sub-contractor(s) is/are an agency, board, commission or university of the State of Arizona.

IX. INSURANCE

The Santa Cruz County School Superintendent's Office is a public entity and shall provide a certificate of self-insurance.

X. OTHER

It is agreed that the parties to this Agreement have participated fully in the negotiation and preparation of the Agreement. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in interpreting this Agreement. The parties acknowledge they have been advised by counsel, or have had the opportunity to be advised by counsel, in the negotiation and execution of the Agreement.

The parties agree to follow all applicable laws, rules and regulations in the performance of work in furtherance of the Substance Abuse Block Grant initiative and this Agreement.

FEDERAL TERMS AND CONDITIONS**

I. KEY PERSONNEL

It is essential that the Santa Cruz County School Superintendent's Office train and provide adequate, experienced personnel, capable of and devoted to the successful accomplishment of projects that may be performed under this Agreement. The Santa Cruz County School Superintendent's Office must agree to assign experienced individuals to project positions.

- A. The Santa Cruz County School Superintendent's Office agrees that, once assigned to work on a project under this Agreement, key personnel should not be removed or replaced without prior written notice to the GOYFF.
- B. If key personnel are not available for work on a specific project, for a continuous period exceeding thirty (30) calendar days, or are expected to devote substantially less effort to the work than initially anticipated, the Santa Cruz County School Superintendent's Office shall immediately notify the GOYFF Program Administrator and shall, subject to the concurrence of the GOYFF, replace such personnel with personnel of substantially equal ability and qualifications.
- C. The Santa Cruz County School Superintendent's Office shall assign specific individuals to the key programmatic and fiscal positions and other changes to key personnel, specifically the Santa Cruz County School Superintendent's Office's SABG Coordinator must be reported on or before the effective date of such change to the GOYFF.

II. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT ("HIPAA") OF 1996

- A. The Santa Cruz County School Superintendent's Office warrants that it is familiar with the requirements of HIPAA, as amended by the Health Information Technology for Economic and Clinical Health Act ("HITECH ACT") of 2009, and accompanying regulations and will comply with all applicable HIPAA requirements in the course of this Agreement. Santa Cruz County School Superintendent's Office warrants that it will cooperate with the GOYFF in the course of performance of the Agreement so that both GOYFF and the Santa Cruz County School Superintendent's Office will be in compliance with HIPAA, including cooperation and coordination with the Arizona Department of Administration-Arizona Strategic Enterprise Technology ("ADOA-ASET") Office, the ADOA-ASET Arizona State Chief Information Security Office and HIPAA Coordinator and other compliance officials required by HIPAA and its regulations. The Santa Cruz County School Superintendent's Office will sign any documents that are reasonably necessary to keep GOYFF and the Santa Cruz County School Superintendent's Office in compliance with HIPAA, including, but not limited to, business associates agreements.
- B. If required by the GOYFF, the Santa Cruz County School Superintendent's Office agrees to sign a "Pledge to Protect Confidential Information" and to abide by the statements addressing the creation, use and disclosure of confidential information, including information designated as protected health information and all other confidential or sensitive information as defined in policy. In addition, if requested, the Santa Cruz County School Superintendent's Office agrees to attend or participate in HIPAA training offered by the GOYFF or to provide written verification that the Santa Cruz County School Superintendent's Office has attended or participated in job related HIPAA training that is (1) intended to make the Santa Cruz County School Superintendent's Office proficient in HIPAA for purposes of performing the services required and (2) presented by a HIPAA Privacy Officer or other person or program

knowledgeable and experienced in HIPAA and who has been approved by the ADOA-ASET Arizona State Chief Information Security Officer and HIPAA Coordinator.

III. AGREEMENT RENEWAL

The Agreement shall not bind nor purport to bind the GOYFF for any contractual commitment in excess of the original Agreement period or amount. The GOYFF shall have the right, at its sole and unfettered discretion, whether or not to extend this Agreement. If so, the parties must execute a written amendment or a new contract. Consideration for renewal will also be based on results of program and fiscal monitoring.

IV. FUND MANAGEMENT

The Santa Cruz County School Superintendent's Office must maintain funds received under this Agreement in separate ledger accounts and cannot mix these funds with other sources. The Santa Cruz County School Superintendent's Office must manage funds according to applicable federal regulations for administrative requirements, cost principles and audits.

The Santa Cruz County School Superintendent's Office must maintain adequate business systems to comply with federal requirements. The business systems that must be maintained are:

- Financial Management
- Procurement
- Personnel
- Property
- Travel

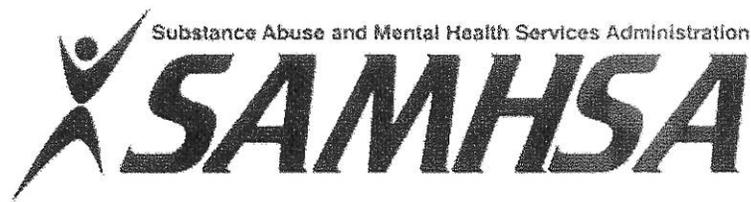

A system is adequate if it is: 1) written; 2) consistently followed - it applies in all similar circumstances; and 3) consistently applied – it applies to all sources of funds. The GOYFF reserves the right to review all business systems policies.

V. DUNS/CCR

Each successful recipient who is awarded funding must provide the following prior to an Agreement being executed: (a) Dun and Bradstreet Universal Numbering System (DUNS) number for the fiscal agent; and (b) proof of current registration in the Central Contractor Registration (CCR) database. Additionally, CCR registration must be maintained for the term of the Agreement. The DUNS website is located at <http://fedgov.dnb.com/webform>. The CCR registration information may be found at <https://www.sam.gov/portal/public/SAM/>.

VI. FFATA REPORTING REQUIREMENTS

The Santa Cruz County School Superintendent's Office is required to provide certain information pursuant to the Federal Funding Accountability and Transparency Act of 2006 reporting requirements (Pub. L. No. 109-282, as amended by Section 6205 (a) of Pub. L. No. 110-252) "FFATA"). FFATA requires that certain information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

Attachment C

Additional Directives

All grantees must abide by the Trafficking Victims Protection Act, follow funding prohibitions against ACORN, and review SAMHSA's incentive policies.

Trafficking Victims Protection Act of 2000

The Trafficking Victims Protection Act of 2000 is a comprehensive federal law that was enacted to protect victims of trafficking or to prosecute their traffickers.

All SAMHSA grantees are required to abide by the award term that implements Section 106 (g) of the Trafficking Victims Protection Act of 2000, as amended (22 USC 7104). The award term is now located at 2 CFR Part 175.

Association of Community Organizations for Reform Now (ACORN)

In accordance with guidance provided by the Department of Health and Human Services, funding prohibitions regarding the Association of Community Organizations for Reform Now (ACORN) and related entities remain in effect pending further litigation as to ACORN's First Amendment and due process claims. All SAMHSA grantees are required to abide by these prohibitions.

Incentives

"Incentives" refer to any monetary or service benefit that you provide to program participants to attract and retain them in the service or prevention program. The dictionary defines "incentive" as "something that encourages or motivates somebody to do something."

SAMHSA discretionary grant funds may be used for non-cash incentives.

Only Non-Cash Incentives Before and After Programs

Non-cash incentives to participants in treatment and prevention programs are essential to retain individuals and to encourage attendance and attainment of treatment or prevention goals. You must build all the non-cash incentives into the program design, and they should be of minimal cash value. Examples include food, prizes, and small gifts. Do not use discretionary grant funds to make direct cash payments to individuals during the treatment or prevention program.

SAMHSA policy supports the appropriate, judicious, and conservative use of incentives in discretionary grant programs. Incentives should be the minimum amount necessary to meet the program and evaluation goals of the grant, **up to \$30**. You should determine the minimum amount to be effective as follows:

Before the Program: You may not use discretionary grant funds to make direct payments to individuals to induce them to enter treatment or prevention programs.

During the Program: You may use discretionary grant funds for "wrap-around services" (non-clinical supportive services) that intend to:

- Improve an individual's access to and retention in treatment that is deemed essential to meeting program goals as they relate to the target population
- Improve access to and retention in prevention programs
- Meet abstinence benchmarks

Cash Incentives Only in Follow-Up

After the program: Center for Mental Health Services (CMHS) and Center for Substance Abuse Treatment (CSAT) practice allows for discretionary grant funds to pay individuals to participate in required data collection follow-up. The Center for Substance Abuse Prevention (CSAP) has not established practices related to payment for follow-up data collection.

MEMORANDUM

Date: September 8, 2016
To: Santa Cruz County Board of Supervisors
Through: Jennifer St. John County Manager
From: David Demarest, IT

Subject: Approval of MOU with CBP regarding Red Mountain Communications Tower.

Recommendation: Approve and sign the MOU.

Background: Customs and Border Protection has a communications tower which they erected on Red Mountain before the County acquired the tower site. CBP is now requesting to formalize an agreement with the County in order to allow them to keep the tower placed there and to enter the site to perform maintenance as needed. In the event we have any difficulties with this arrangement going forward we can withdraw from the agreement with 90 days written notice to CBP.

The agreement has been reviewed and approved by the Chief Civil Deputy.

Financial Implications: There is no financial implication for the County.

Proposed Motion: “Mr. Chairman, I move to approve the MOU with CBP regarding the Red Mountain Tower.”

PROCLAMATION
HISPANIC HERITAGE MONTH
September 15 – October 15, 2016

WHEREAS, on August 17, 1988, Public Law 100-402 amended Public Law 90-498 and authorized the President of the United States to annually proclaim National Hispanic Heritage Week; and

WHEREAS, National Hispanic Heritage Month is an opportunity to celebrate the rich cultural traditions and honor the significant achievements of our Hispanic and Latino American communities; and

WHEREAS, Hispanics are the largest ethnic minority group in the country and make valuable contributions to the State of Arizona and Santa Cruz County in business, industry, government, education, the sciences, arts, and faith; and

WHEREAS, Hispanics have served with distinction in military conflicts since the Revolutionary War and continue to defend our country today as members of the Armed Forces. These brave men and women bring us honor and we are grateful for their service and sacrifice; and

WHEREAS, this month includes the anniversaries of independence for Costa Rica, El Salvador, Guatemala, Honduras, Nicaragua, Chile, and Mexico; and

WHEREAS, the respective backgrounds of Hispanic and Latino Americans and their dedication to family values are an integral part of Arizona. They have made enormous contributions to our diverse society by sharing their talents, culture, traditions, and their deep connection to family values. With a commitment to faith and a desire to live the American dream, Hispanic and Latino Arizonans embrace the ideals upon which Arizona was founded.

THEREFORE, we, the Board of Supervisors of Santa Cruz County, do hereby proclaim

September 15 – October 15, 2016, as HISPANIC HERITAGE MONTH.

We join with all Americans in celebrating the heritage and achievements of Hispanic and Latino Americans and recognizing their contributions to our nation.

GRANT AGREEMENT

This Agreement awarding **\$64,567.50** for Vertical Prosecution is made effective **07/01/2016**, by and between the Arizona Automobile Theft Authority, hereinafter referred to as the AATA, and Santa Cruz County Attorney, hereinafter referred to as the GRANTEE. The AATA enters into this agreement pursuant to its authority under the provision of ARS § 41-3451 and having satisfied itself as to the qualifications of the GRANTEE.

Vertical Prosecution, for the purposes of this agreement shall mean that unless impossible or impractical, the grant funded prosecutor(s) shall maintain functional control of and responsibility for all aspects of vehicle theft cases including but not limited to reviewing case submittals, making charging decisions, preparing grand jury presentation instructions, engaging in motion practice, determining plea resolutions, and taking auto theft cases to trial.

The grant funded attorney(s) shall give priority to and prosecute/maintain functional control of all cases submitted by the Vehicle Theft Task Force.

The grant funded attorney(s) and support staff shall devote 100% of his or her time to the vertical prosecution of vehicle theft suspects, assisting law enforcement in on-going auto theft investigations, supporting and participating in programs or events to increase public awareness and community education in vehicle theft prevention and supporting the programs of the Automobile Theft Authority.

1. This agreement will commence on 07/01/2016, and terminate on 06/30/2017. This agreement is subject to cancellation pursuant to the provision of ARS §38-511. This AATA grant expires at the end of the agreement period, unless prior written approval for an extension has been obtained from the AATA. The GRANTEE agrees to return all unexpended funds to the AATA within 60 days of the expiration date of this grant or within 60 days of termination of this grant should termination occur prior to original expiration date, unless a grant extension is agreed to and an approved carry forward is authorized.

Grant funds are intended to be used exclusively for reimbursement of expenditures related to the number of FTE prosecutor positions dedicated solely to vertical prosecution, as defined in Table A. Grant funds will not be used to supplant Federal, State, County, or local funds that would otherwise be made available to the GRANTEE for prosecution purposes, but to supplement funds already existing for the prosecution of vehicle theft. Grant funding of 50% FTE positions will be considered exempt from the supplanting provision of this grant contract. Grant funds that are distributed pursuant to this agreement are not to be expended for any indirect costs incurred by the GRANTEE for the administration of this grant.

2. The grant award is to fund a prosecutor(s) who will execute their duties in accordance with the intended purpose and spirit of this agreement and the above definition of vertical prosecution. The funded prosecutor(s) shall maintain functional control of and responsibility for all aspects of vehicle theft cases referred to the Santa Cruz County Attorney by the Arizona Vehicle Theft Task Force. The grant funded attorney(s) shall devote his or her time to the vertical prosecution of vehicle theft suspects, assisting law enforcement in ongoing auto theft investigations, supporting and participating in programs or events to increase public awareness and community education in vehicle theft prevention and supporting the programs of the Arizona Automobile Theft Authority. In addition, the funded prosecutor(s) will work with law enforcement officers to improve the quality of vehicle theft cases submitted for prosecution. The prosecutor(s) should to the extent possible, and practicable, share criminal justice prosecution information with other authorized criminal justice agencies.
3. The GRANTEE shall operate in a manner consistent with, and in compliance with, the provisions and stipulations of the approved AATA grant application letter and this agreement. If the AATA finds non-compliance, the GRANTEE will receive a formal written notice that identifies the area of non-compliance and the appropriate corrective action to be taken. If the GRANTEE does not respond within thirty calendar days to this notice, and does not provide sufficient information concerning the steps that are being taken to correct the problem, the AATA may suspend funding or permanently terminate the agreement or revoke the grant. Any deviation or failure to comply with the purposes and/or conditions of this agreement without written permission from the AATA may constitute sufficient reason for the AATA to terminate the agreement. The revocation of the grant will require the return of all unspent funds, require that an audit of expended funds be performed at GRANTEE'S expense. It will also require the return of any previously expended funds that may have been spent in violation of the purposes and conditions of the grant.

4. The final funding schedule will be determined by the AATA and will be based on funding availability.
5. Requests for budget adjustments and/or reprogramming must be submitted in writing to the AATA.

7. The grant funds awarded under this agreement are conditioned upon the availability of funds appropriated or allocated for the cash payment of such obligation. If funds are not allocated, are reverted or otherwise unavailable for the continuance of this agreement, the AATA may terminate this agreement at the end of the period for which funds are available. No liability shall accrue to the AATA in the event this provision is exercised, and the AATA shall not be obligated or liable for any future payments or for any damages as a result of termination under this paragraph.
8. The GRANTEE agrees to account for the interest earned on AATA grant funds, use interest only for the purpose of paying AATA approved grant expenditures, and shall remit interest earned to the AATA within 60 days of the expiration of this grant, unless a prior written request justifying the uses of such funds is submitted and approved by the AATA.

9. The GRANTEE agrees that it will provide accounting, auditing, and monitoring procedures to safeguard AATA grant funds and keep such records to assure proper fiscal controls, management, and the efficient disbursement of AATA grant funds.
10. Pursuant to the provisions of ARS § 35-214 and ARS § 35-215, GRANTEE shall retain all books, account reports, files, and other records relating to this agreement and performance of this agreement for a period of five (5) years after the completion of this agreement. All such documents shall be subject to inspection and audit at reasonable times.
11. The GRANTEE agrees to maintain time and effort certifications every six (6) months to ensure salaries and wages charged to the Vertical Prosecution Grant are accurate, allowable and properly allocated.
12. The GRANTEE agrees to submit quarterly financial and performance reports to the AATA, documenting the activities supported by the AATA grant funds and providing an assessment of the impact of those activities on the criminal justice system. The reports shall be submitted through the AATA Grant database web-portal.

This Agreement may be modified only by a written amendment signed by persons duly authorized to enter into agreements on behalf of the AATA and GRANTEE. Any notice given pursuant to this Agreement shall be in writing and shall be considered to have been given when actually received by the following addressees or their agents or employees.

13. The GRANTEE agrees that it will comply with applicable nondiscrimination requirements of ARS § 41-1463, applicable State and Federal civil rights laws, and Executive Order 2009-9.
14. The GRANTEE agrees that in the event that a Federal or State court, or Federal or State administrative agency, after a due process hearing, makes a finding of discrimination on the grounds of race, color, religion, national origin, sex, age, or handicap against the GRANTEE regarding the program or activities supported by this grant, the GRANTEE will forward a copy of such findings to the AATA.
15. The GRANTEE certifies it will comply with the Drug-Free Workplace Act of 1988 as delineated in 28 CFR Part 67, Subpart F, for grantees, as defined in 28 CFR Part 67 Sections 67.615 and 67.620.
16. GRANTEE and the AATA agree to use arbitration in the event of disputes in accordance with the provisions of ARS § 12-1501 et seq.

No right or interest in this Agreement shall be assigned by GRANTEE without prior written approval of the AATA. No delegation of any duty of GRANTEE shall be made without the prior written approval of the AATA.

17. The GRANTEE agrees that it is acting as an independent contractor and agrees to hold the AATA harmless from the actions of the GRANTEE AND GRANTEE'S employees.
18. The GRANTEE warrants compliance with all Federal immigration laws and regulations relating to employees and warrants its compliance with A.R.S. § 41-4401 and A.R.S. § 23-214, Section A. (that subsection reads: "After December 31, 2007, every employer, after hiring an employee, shall verify the employment eligibility of the employee through the E-Verify program).

A breach of a warranty regarding compliance with immigration laws and regulations shall be deemed a material breach of the contract and the contractor may be subject to penalties up to and including termination of the contract.

Failure to comply with a State audit process to randomly verify the employment records of contractors and subcontractors shall be deemed a material breach of the contract and the contractor may be subject to penalties up to and including termination of the contract.

The State Agency retains the legal right to inspect the papers of any employee who works on the contract to ensure that the contractor or subcontractor is complying with the warranty under paragraph 1.

19. The GRANTEE assigns to the State any claim for overcharges resulting from antitrust violations to the extent that such violations concern materials or services supplied by third parties to the GRANTEE toward fulfillment of this agreement.

IN WITNESS WHEREOF, the parties have made and executed this agreement the day and year first above written.

PROCLAMATION

DOMESTIC VIOLENCE AWARENESS MONTH OCTOBER 2016

WHEREAS, violence against women and children continues to become more prevalent as a social problem due to the imbalance of power due to gender and age; and

WHEREAS, approximately one in four women and one in seven men in the United States will experience physical domestic violence at some point in their life; and

WHEREAS, 15.5 million children in the United States live in families in which domestic violence occurred at least once in the past year, and 7 million children live in families in which severe domestic violence occurred; and

WHEREAS, only one-quarter of all physical assaults, one-fifth of all rapes, and one-half of all stalking incidents perpetrated against women by intimate partners are reported to police; and

WHEREAS, the damage caused by domestic violence is not limited by gender, age, ethnicity or sexual orientation; and

WHEREAS, the crime of domestic violence violates an individual's privacy, dignity, security, and humanity, due to systematic use of physical, emotional, sexual, psychological, and economic control and/or abuse; and

WHEREAS, the impact of domestic violence is wide ranging, directly affecting women and children and society as a whole; and

WHEREAS, public awareness has the potential to increase the identification and reporting of abuse by the public, professionals, and victims themselves, and can act as a catalyst to promote issue-based education and long term prevention.

NOW, THEREFORE, the Santa Cruz County, Arizona, Board of Supervisors, does hereby proclaim the month of October 2016 as:

"DOMESTIC VIOLENCE AWARENESS MONTH"

and urges all citizens to actively participate in the scheduled activities and programs sponsored by local, state and national organizations, to work toward the elimination of personal and institutional violence against women and children.

Interoffice Memorandum

To: Board of Supervisors
From: Jennifer St. John, County Manager *JSA*
Subject: Request approval of Intergovernmental Agreement for Animal Control services with the Town of Patagonia
Date: August 17, 2016

Recommendation:

Staff recommends that the Board approve the Intergovernmental Agreement for Animal Control services with the Town of Patagonia from July 1, 2016 through June 30, 2017.

Background:

In meeting with the Manager for the Town of Patagonia, he expressed an interest in the County performing animal control services for the Town on an emergency basis only. He stated that the two entities had entered into a similar agreement many years ago. This agreement would require the County to patrol and capture animals only in an extreme emergency when the Town could not perform this function. It also requires the County to house the Town's animals for a period of up to 3 days. Any services performed by the County on behalf of the Town would be reimbursed at the County's cost. In speaking with Lt. Pena, this agreement was beneficial to both parties when it was done in years past and caused very little strain on County resources.

Financial Implications:

Minimal revenue to the Animal Control fund if patrol, capture, or housing is to occur by the County on behalf of the Town.

Proposed Motion:

Move to approve the Intergovernmental Agreement for Animal Control services with the Town of Patagonia from July 1, 2016 through June 30, 2017.

ANIMAL CONTROL INTERGOVERNMENTAL AGREEMENT

THIS INTERGOVERNMENTAL AGREEMENT (hereinafter 'Agreement'), entered into by and between the TOWN OF PATAGONIA, a municipal corporation (hereinafter referred to as 'Town'), and SANTA CRUZ COUNTY, a political subdivision of the State of Arizona (hereinafter referred to as 'County'), the Town and the County have agreed pursuant to A.R.S. §11-952, as follows:

PURPOSE: The purpose of this Agreement is to provide a means of controlling the problem of stray dogs, cats, and the management of wildlife in the Town, and therefore, it is hereby agreed by both parties that in order to control the problem, each party will engage in certain activities as follows:

I. THE TOWN WILL:

- a. Hire an individual to serve as Animal Control Officer (hereinafter 'ACO') to work on a part-time basis or on an emergency basis for the purpose of responding to complaints concerning stray dogs and cats or other animals causing a public nuisance. In the event no ACO is employed, the Patagonia Marshal's Office will conduct duties of the ACO as required.
- b. Require the ACO to impound such stray animals and any wildlife in a temporary holding facility established by the Town, and/or transport such animals to the County Animal Control Center in Nogales, Arizona.
- c. Pay the entire salary of the ACO out of Town funds without cost to the County.
- d. Establish a daily impound fee for dogs and cats impounded at the temporary holding facility.
- e. Pay any impoundment, board, or applicable pickup fees established by the County for animals impounded at the County Animal Control Center. Fees are set as indicated in Exhibit A, attached hereto and incorporated herein as it fully set forth in this Agreement.
- f. Require the ACO to advise pet owners wishing the return of their pets of the following
 1. That all dogs and cats shall be vaccinated against rabies and other diseases, as specified in Santa Cruz County Ordinance No. 1985-3 and Town of Patagonia Code, Chapter 6, Section 6-1-3.
 2. That all dogs and cats must be licensed and the required fee be paid in accordance with the fees by the County.
- g. Pay fees owed to the County within thirty (30) days of receipt of invoices from the County.

II. THE COUNTY WILL:

- a. Upon request of the Town, remove the impounded animals from the temporary holding facility in Patagonia and transport such animals to the Animal Control Center in Nogales, Arizona.
- b. House Town impounded animals at the Animal Control Center until released or otherwise disposed of.
- c. Hold all dogs and cats for a minimum of seventy-two (72) hours at the Animal Control Center. After such time, if such animals have not been returned to their owners, such animals may be placed for adoption or euthanized in a humane matter.
- d. Charge the Town a pick up fee as established by the County if an animal is removed by the County from the temporary holding facility in Patagonia and such animal is transported by the County to the Animal Control Center in Nogales, Arizona.
- e. Charge the impoundment and board fee established by the County to those pet owners desiring the return of their pets from the Animal Control Center in Nogales, Arizona.
- f. Charge the Town the full impoundment fee and board for the initial seventy-two (72) hours of impoundment on all animals impounded from the Town that are not returned to their owners.
- g. If the Town submits an animal to the County for rabies testing at the State Laboratory in Tucson, Arizona, a fee of \$50.00 per animal will be charged to the Town.
- h. Charge a reduced fee for board if an animal is impounded at the Animal Control Center in Nogales, Arizona by the Town and needs to remain in custody in excess of seventy-two (72) hours for court litigation. The reduced rate will be \$5.00 per day.
- i. Respond to Patagonia in emergency situations when the Patagonia ACO is unavailable, and transport and impound animals associated with such situations. The County will be compensated for responding to such emergencies in accordance with paragraphs d. and f. of this section.

III. MISECELLANEOUS PROVISIONS:

- a. Termination: This Agreement may be terminated by either party upon giving the other party sixty (60) days written notice of its intent to terminate this Agreement.
- b. Term: This Agreement shall be effective on the date it is last signed by the parties. Except as otherwise provided in this Agreement, this Agreement shall commence on September 1, 2016 and terminate on August 31, 2017. Any modification or extension of this Agreement shall be by formal written amendment and executed by the parties thereto. This Agreement shall automatically renew each year unless either party gives notice of termination 30 days prior to the end of the year preceding.

- c. Disposal of Property: Upon termination of this Agreement, all property involved shall revert back to the owner. Termination shall not relieve any party from the liabilities or costs already incurred under this Agreement, nor affect any ownership of property pursuant to this Agreement.
- d. Indemnification: To the fullest extent permitted by law, each party agrees to defend, indemnify, and hold harmless the other party and the other party's officers agents, and employees from all claims, losses and causes of actions arising out of, resulting from, or in any manner connected with this Agreement, but only to the extent that such claim, loss, cause of action, damage or injury is caused or contributed to by the negligent acts or omissions of the indemnifying party.
- e. Compliance with Laws: The County and the Town shall comply with all federal, state and local laws, rules, regulations, standards and Executive Orders, without limitation to those designated within this Agreement. The laws and regulations of the State of Arizona shall govern the rights of the parties, the performance of this Agreement and any disputes hereunder. Any action relating to this Agreement shall be brought in an Arizona court in Santa Cruz County. Any changes in the governing laws, rules and regulations during the terms of this Agreement shall apply but do not require an amendment to this Agreement.
- f. Worker's Compensation: Each party shall comply with the notice of A.R.S. §23-1022(E). For purposes of A.R.S. §23-1022, each party shall be considered the primary employer of all personnel currently or hereafter employed by the party, irrespective of the operations of protocol in place, and said party shall have the sole responsibility for the payment of Worker's Compensation benefits or other fringe benefits of said employees.
- g. No Joint Venture: It is not intended by this Agreement to, and nothing contained in this Agreement shall be construed to, create any partnership, joint venture or employment relationship between the parties, or create any employer-employee relationship between Town and County employees, or between County and Town employees. Neither party should be liable for any debts, accounts, obligations nor other liabilities whatsoever of the other, including (without limitation) the other party's obligation to withhold Social Security and income taxes for itself or any of its employees.
- h. No Third Party Beneficiaries: Nothing in the provisions of this Agreement is intended to create duties or obligations to or rights in third parties not parties to this Agreement, or affect the legal liability of either party to the Agreement by imposing any standard of care different from the standard of care impose by law.
- i. Entire Agreement: This document constitutes the entire agreement between the parties pertaining to the subject matter hereof, and all prior or contemporaneous agreements, understandings, oral or written, are hereby superseded and merged herein. This Agreement shall not be modified, amended, altered or extended except through a written amendment signed by the parties.

- j. Severability: If any provision of this Agreement is held to be invalid or enforceable, the remaining provisions shall continue to be valid and enforceable to the fullest extent permitted by law.
- k. Conflict of Interest: This Agreement is subject to cancellation for conflict of interest pursuant to A.R.S. §38-511, the pertinent provisions of which are incorporated herein by reference.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective proper officers.

Interoffice Memorandum

To: Board of Supervisors
From: Jennifer St. John, County Manager 
Date: September 21, 2016
Subject: Donation of Vehicle to NUSD

Recommendation:

Staff recommends that the Board donate a 2006 Ford Van to the Nogales Unified School District.

Background:

Per statute, the County can dispose of unused equipment/vehicles via the County auction or donation to a non-profit or another governmental entity. The County's Information Technology (IT) Department recently received a 4 wheel drive vehicle to replace their 2006 Ford Van with 106,761 miles. The County IT department does not consider this vehicle efficient for driving throughout the County or to places such as Red Mountain where our towers are located, however NUSD has expressed an interest in these older vehicles as they regularly only drive throughout the City. Therefore, instead of auctioning this vehicle, staff is recommending a donation to NUSD as allowed by statute.

Financial Implications:

Potential loss of revenue to the general fund of approximately \$500 - \$1,000 if the van was sold at auction. The County auctioned a van at the auction in August 2016 and it sold for \$800.

Proposed Motion:

Move to approve the donation of one 2006 Ford Van to the Nogales Unified School District.

The Honorable Douglas A. Ducey
Governor of Arizona
1700 W. Washington Street
Phoenix, Arizona 85007

Dear Governor Ducey:

On behalf of the County Supervisors Association of Arizona (CSA) and Arizona's fifteen counties, thank you for your support of county financial priorities included in the FY2016-2017 State Budget. As you and your team prepare the FY2017-2018 Executive budget proposal, we would greatly appreciate your consideration of the following top county financial priorities in your budget recommendation:

Elimination of the mandated county payments to support the state operated and managed Arizona Department of Juvenile Corrections. Beginning in FY2016, and as a way to manage the state revenue shortfall, state law was changed to require these payments. In FY2017, the mandate will cost county taxpayers approximately \$11 million. Fundamentally, this policy violates good management principles by charging the county taxpayer for cost drivers controlled by the judiciary and the state and diverts scarce resources from other local priorities.

We are very grateful the enacted state budget contained an \$8 million appropriation to partially offset this impact in FY2017. We respectfully request that the FY2018 state budget provide full and permanent relief of this state liability. We also offer our collaboration, if your administration wishes, to evaluate opportunities for reform and efficiencies in the juvenile justice system that could generate cost savings to the state and county taxpayer, while improving results in the system.

Full Restoration of Highway User Revenue Funds (HURF). Since 2009, \$140.6 million of county HURF has been diverted to fund state obligations. We understand the financial context in which this was done, but it is important to recognize the profound and deleterious consequences this has had on local road building and maintenance.

Thank you for the temporary and partial restoration of these funds to local governments in FY2017, of which counties received \$10 million. As you know, investing in transportation infrastructure is critical for economic development, public safety and quality of life, and we are hopeful that you will support full restoration in the FY2018 state financial plan.

Page 2
September 21, 2016

Please know that current state law contains several other problematic cost shifts to counties and policies that create financial burden on local county taxpayers. If resources permit, we would welcome an opportunity to address additional important county priorities. However, we recognize that you must balance many competing priorities in a limited resource environment. Accordingly, we believe it is incumbent on us to share with you our top financial priorities that, if addressed, will provide meaningful relief to all counties and will promote good government and proper stewardship of taxpayer resources.

Thank you very much for your consideration of our request and for your leadership of our Great State.

Sincerely,

Rudy Molera, Chairman
