

## AMENDMENT NO. 1

TO

RFP #B-07-20-C007

### Boys and Girls Club Facility Improvements

This amendment will serve as a clarification of the submittal requirements for the RFP issued on November 13, 2020 entitled and numbered as indicated above.

**Submittals shall be double-spaced.**

There is a discrepancy in the published RFP.

Page 8, Item 4 indicates the submittals may be single-spaced. Page 13, first paragraph, first sentence indicates a double-spaced requirement. The latter is correct.
