RE: Palo Parado Railroad crossing

Dear Mr. Altherr:

Federal Highway Administration has informed ADOT that the Palo Parado RR Crossing, AAR/DOT #742 018 J, qualifies under Section 130 funding once the Santa Cruz County enters into and execute a public road crossing agreement with the Union Pacific Railroad.

ADOT supports this request for funding contingent on the County meeting the above condition. The crossing will be prioritized based on selection criteria used by ADOT for Section 130 funding.

Members of the ADOT's Utility and Railroad Engineering Section will be in contact with you to assist in this process.

Sincerely,

Sam Maroufkhani
Deputy State Engineer
ADOT
