Dear Mr. Fuentes;

On behalf of the students and staff at Calabasas Middle School, we wish to extend our gratitude for your participation and donation to our PBIS Fabulously Fun Indoor Carnival.

Each quarter we recognize and reward students who demonstrated positive behavior throughout the grading period. Your participation and donation helps make this event possible.

Thank you again for your support. It is organizations such as yours and caring people such as yourself that make a difference for our students.

Sincerely,

Claudia Tolano

Dean of Students
